- Volunteer needed to coordinate Champagne ride, April 22. Event will be canceled if no coordinator is found
- Volunteer needed to host/coordinate the Summer Picnic – no date has been set and will be dependent on location availability.
- Holiday Party – to be held at the colts Neck Inn, Dec 1 (Committee: Steve Surowitz, Sue Scarola, Charlie Kirlew, Dan Hinton)
- Ride Leaders – question was asked 'If there are 2 ride levels at the same location and 1 ride leader calls the ride due to weather or safety concerns should the other group also cancel?' Ride leader has the authority to cancel ride if there is bad weather or safety concerns
- Is there a budget for the summer tour – Treasurer does not believe there is a line item for the Summer Tour. To be investigated

- 2 new members attended the meeting and given a run down on how the club is conducted along with an overview of the ride types and schedule. Advised to join Yahoo groups to get ride information.

New Business

Capital to Coast Trail – Charlie Kirlew

The Capital to Coast trail is an effort being undertaken to create a network of trails from the Coast to Trenton. Charlie is involved and attends meetings. As an interested group (JSTS) we have been asked to sign a "Resolution" for the Support of and development of the Capital to Coast trail. A vote was taken by the attending members to proceed with signing the Resolution. Debbie will complete the document, have it notarized and submitted.

Meeting adjourned: 8:15pm
