Ride Coordinator: Ride schedule has been posted through June. Members discussed having shorter rides for C+, B & B+ this early in the season. C rides were okay.

Champaign Ride: Judy Lauber & Gail Stevens did a great job getting the food & drinks that day. Weather was nice for a change and it came in under budget.

Holiday Party: Holiday Party Committee members Steve Surowitz, Sue Scarola, Charlie Kirlaw, and Dan Hinton chose to have the party Saturday night, December 1, at the Colts Neck Inn. The change in venue and time from last year's party was done to accommodate members who might prefer a Saturday night party to a Sunday afternoon party. There will be a full buffet and cash bar. Cost will be \$15/member, \$20/guest. Whether to hire a DJ or not will be decided later, based on budgetary concerns. An updated report will be given at the next meeting.

### **CORRESPONDENCE:**

The MS Ride coordinators asked the club for volunteers for the May 19-20 ride. There will be
